UNIVERSITY
OF THE FRASER VALLEY

The University of the Fraser Valley is no ordinary university

We are a university built on the values of family, community, hard work and entrepreneurship. Our values are your values.

Access to a first-rate post-secondary university in the Fraser Valley is nothing short of necessary. If we want the next generation to remain—to study, grow and establish their own roots in our thriving communities—we must provide them with the benefits of the big city at home. They are our future community and business leaders and they're worth investing in.

Founded in 1974, the University of the Fraser Valley (UFV) is the school of choice for nearly 16,000 students annually pursuing two master's degrees, 15 bachelor's degrees, almost 100 diploma and certificate programs, and more than a dozen trades and technology credentials.

Cascade Athletics programs

UFV has been involved in intercollegiate athletics since 1981.

The UFV Cascades Women's Soccer team belongs to CIS/Canada West. Through the hard work and commitment of our student-athletes and coaches, the Cascades have achieved a standard of excellence celebrated by the Fraser Valley community.

Adopt-a-Cascade

Cascade student athletes demonstrate remarkable performance in their sport and in the classroom. In 2010-11, 29 student athletes were recognized for achieving 80% GPA and higher. To achieve such well-rounded results our student athletes make numerous personal sacrifices and face many challenges meeting the daily demands of full time education, training, competition, travel and community outreach.

Contribute to a winning team!

As the Cascades pursue excellence in academics, athletics and community service, team and program demands continue to grow. Building a successful athletics program in the Fraser Valley requires the help of great supporters, like you.

A financial contribution to the Adopt-a-Cascade Women's Soccer program not only connects you to our exceptional student athletes and varsity programs, your donation makes it possible for student athletes to be their best, develop their leadership skills and give back to the community we all care about, the Fraser Valley.

Where the money goes

One hundred percent of your donation goes toward training equipment, team apparel, travel to non-conference competitions, advanced coaching/training and student awards.

Here's what some of our varsity students are saying about Adopt-a-Cascade...

“ I rely on my team and sacrifice for them because alone we can do so little, together we can do so much. We are a close-knit team that represent UFV with pride!”

—Danielle Schmidt, Arts (Criminology) Student

“ Being on the UFV Women's Soccer team is more than just the opportunity to play soccer at the CIS level — it is an opportunity to win, lose and compete as a team, to create memories and to unite different people who share a common goal.”

—Chelsea Steffen, Fine Arts Student

“ I have been a part of many athletic teams in the past, and UFV Women's soccer has remarkable passion for our sport and our school. We have become a strong group and it's thanks to our donors that we have the opportunity to develop as a team and give back to the community.”

—Chantelle Biagioni, Arts Student
